

Welcome to Pleasant Lake Villa

Make yourself at home by the fireplace, sip cappuccino in our Internet café or join in a variety of fun activities. Your comfort is our priority.

We are a family-owned and operated health care community, where you can expect personalized care and support. Our professional caregivers treat everyone like family – with dignity, respect and compassion.

Our goal is to help our residents live a worry-free lifestyle and achieve the highest quality of life, while preserving independence and dignity. We welcome you to visit and tour our community.

We are conveniently located in Parma, minutes away from Parma Community General Hospital, major freeways, medical facilities, shopping and entertainment.

Assisted Living Community

Legacy Health Services
Our Family Caring for Yours

Achieving the Highest Quality of Life

Our licensed therapists, nursing staff and physicians offer a comprehensive team approach that focuses on the comfort, safety and dignity of each resident.

We are committed to meeting the full spectrum of our residents' needs. Our licensed nurses and certified caregivers are available 24 hours a day and our registered dietitian plans nutritious and appetizing meals according to individual dietary needs.

We encourage our residents to get involved in a variety of creative and meaningful recreational activities and therapy programs such as:

- Pet therapy
- Therapeutic music and art programs
- Outings
- Social gatherings
- Games
- Spiritual activities
- Educational programs & more

Compassionate and Individualized Care

The transition to assisted living can be a challenging adjustment and we are here to help make the process as seamless as possible.

We are committed to providing compassionate and individualized care tailored to meet the unique care and daily living needs of each resident.

We offer a complete continuum of care that enables our residents to receive more advanced care if needed. We are able to assist with all daily living needs, including:

- Bathing
- Dressing
- Eating
- Mobility
- Bathroom assistance
- Medication administration
