Legacy Health Services supported facilities are conveniently located near many major hospitals throughout northern Ohio.

Legacy Health Services is a family-owned and operated healthcare management company supporting skilled nursing and assisted living facilities across northern Ohio. Headquartered in Parma, Legacy manages over 1,600 beds across 10 facilities which employ more than 2,700 dedicated professionals.

Our mission is rooted in the belief that everyone deserves to be treated like family—with compassion, respect, and kindness. We partner with independently operated facilities to ensure they deliver exceptional care tailored to the needs of their residents.

Comprehensive Services Offered at Supported Facilities

- **Therapy & Rehabilitation:** Personalized recovery plans to support return home.
- **Skilled Nursing:** Licensed professionals provide ongoing assessments and tailored care.
- **Specialized Clinical Care:** Advanced treatment in cardiology, nephrology, orthopedics, and pulmonology.
- **Ventilator Care:** Dedicated units with respiratory therapy and continuous monitoring.
- **Nephrology Care:** Dedicated Dialysis units on site to provide care and continuous monitoring.

- **Behavioral Health:** Individualized support for mental and behavioral health needs on dedicated units.
- **Memory Care:** Structured environments for residents with cognitive decline and site-specific dedicated units.
- **Long-Term Care:** 24/7 skilled nursing in safe, supportive environments.
- **Respite Stays:** Short-term care for recovery or caregiver relief.
- **Assisted Living:** Available at three Legacy supported locations listed below, offering daily support in a comfortable setting.

Enhanced Clinical Partnerships

- **Advanced Practice Nurses & Podiatry:** Both On-site and 24/7 on call coverage to improve outcomes.
- **Wound Therapy:** Board-certified wound physician and advanced practice nurses deliver specialized care.
- **Hospice Care:** Compassionate end-of-life support through dedicated provider partnership.
